Jupiter Horsemen's Association has been providing a positive educational and social program for the local and surrounding community for over 40 years. As a long standing registered 501c7 not for profit community social organization we offer a scholarship program, educational opportunities, and a strong volunteer program for local youth. When you purchase sponsorships and donate to our programs your company gains a valuable community presence. The educational opportunities provided to the equestrians of today and tomorrow promotes the future of Jupiter Farms. By attending these events you will also gain a valuable sense of pride and accomplishment as the youth of our community grow and learn. By contributing to Jupiter Horsemen's Association, you are making a difference in your community and helping to build tomorrow's community leaders.

501c7 donations are non-tax deductible. Your sponsorship benefits are detailed here.

Thank you in advance for your sponsorship and we hope to see you at one of our events!
